

MS-101 SELECTORIZED MULTI-STATION

Maximize workout options and floorspace with the MS-101 from SportsArt. This versatile and durable 4-stack strength machine comes standard with a cable tower. The remaining three stations can be configured however you want—choosing any combination of cable tower, tricep pushdown, dual lat pulldown or low row. Connect to another MS-101 for eight stations or connect to the MS-101 Cable Tower Plus for a five-station option. Features include 220lbs (100kg) weight stacks, magnetic selector forks, adjustable pulley height, large nonskid footpads and adjustable thigh pads.
